

# Consequences for the UK

## 1. Use the following words to fill the gaps.

arrangement • current • intended • obviated • border • regulatory • contentious • draft •  
governance • align

- a. I didn't want that to happen, I had ..... something else.
- b. We had to get our passports out at the .....
- c. The ..... rules may change in the future.
- d. We came to an ..... where we agreed what to do.
- e. Nobody agreed, the plan was very .....
- f. The plan isn't finished yet, it's only in ..... form.
- g. Luckily everyone heard the fire alarm, which ..... the disaster.
- h. The ..... framework told everyone what they had to do.
- i. Our ideas must ..... if we are to be on the same wavelength.
- j. The council took over the ..... of the town.

## 2. Einstein said: "If you can't explain something to a six-year-old, you don't understand it yourself". Explain the backstop to your younger cousin.

The backstop is .....

.....

We need a backstop (or similar plan) because .....

.....

The problem with it is .....

.....

## 3. One of you is from Northern Ireland, one is from the South: discuss the backstop.
